Subject: Request for Extension – Annexation No. 1 to CSA 23 (111 Residential Lots in Tract 2586), LAFCo File No 2-R-23

Dear Mr. Fitzroy,

Please accept this letter as a formal request for an extension of time to complete the conditions of approval for Annexation No. 1 to County Service Area 23 (111 Residential Lots in Tract 2586). Specifically, we are requesting an extension to satisfy Condition 2a, which requires the submittal of the Final Map for Tract 2586 – Phase I prior to the filing of the Certificate of Completion with the County Clerk Recorder.

As you are aware, the Applicant and the County have been working collaboratively and diligently to prepare the necessary documentation for submittal to the County Surveyor. We are now in the final stages of addressing the remaining items required for map approval.

In light of the progress made and the minimal outstanding items, we respectfully request an extension of the term for completion of this condition. We appreciate your continued support and consideration as we work toward finalizing this important milestone.

Thank you for your time and thoughtful review of our request. Please do not hesitate to contact me should you need any additional information or clarification.

Sincerely,

A handwritten signature in blue ink that reads "Laura Holder".
