Hearing Item: Intent to Adopt a Municipal Service Review and Sphere of Influence Study for the Garden Farms Community Water District | LAFCO File No. 4-S-24

Hearing Notice: Notice is hereby given that the San Luis Obispo Local Agency Formation Commission (LAFCO) will consider adopting the Municipal Service Review (MSR) and Sphere of Influence (SOI) Study for the Garden Farms Community Water District. The MSR evaluates the District's capability to service existing and future residents and is the basis for determining SOI boundaries. An SOI is defined as a plan for the probable physical boundary and service area of a local agency or municipality. The District's existing SOI is proposed to be amended. Of the existing SOI areas, one area is proposed to remain unchanged, one area is proposed for removal, and one new area is proposed to be added. Inclusion within the SOI indicates potential eligibility for annexation within a 20-year planning horizon, while removal from the SOI indicates that annexation is unlikely. It has been determined that the MSR and SOI Study is exempt from CEQA pursuant to CEQA Categorical Exemption Section 15306 and CEQA General Rule Exemption Section 15061(b)(3). MSR and SOI factors listed in Government Code Sections 56430(a) and 56425(e) have been analyzed, and determinations have been provided within the Public Review Draft. The notice and the Public Review Draft are available on the LAFCO website <https://slo.lafco.ca.gov/>.

Hearing Item: Intent to Adopt a Municipal Service Review and Sphere of Influence Study for the Port San Luis Harbor District | LAFCO File No. 8-S-25

Hearing Notice: Notice is hereby given that the San Luis Obispo Local Agency Formation Commission (LAFCO) will consider adopting the Municipal Service Review (MSR) and Sphere of Influence (SOI) Study for the Port San Luis Harbor District. The MSR evaluates the District's capability to service existing and future residents and is the basis for SOI decisions. A SOI is defined by Government Code Section 56425 as a plan for the probable physical boundary and service area of a local agency or municipality. The District's existing SOI is coterminous with its current service area boundary. The existing SOI is to be reaffirmed without amendments; that is, no changes to the SOI are proposed. It has been determined that the MSR and SOI Study is exempt from CEQA pursuant to CEQA Categorical Exemption Section 15306 and CEQA General Rule Exemption Section 15061(b)(3). MSR and SOI factors listed in Government Code Sections 56430(a) and

56425(e) have been analyzed, and determinations have been provided within the Public Review Draft. The Public Review Draft is currently available on the LAFCO website <https://slo.lafco.ca.gov/>.

Hearing Item: Final Budget for the San Luis Obispo Local Agency Formation Commission for Fiscal Year 2026-2027

Hearing Notice: Notice is hereby given that the San Luis Obispo Local Agency Formation Commission will hold a public hearing on May 21, 2026, for the Final Fiscal Year 2026-2027 Budget and Work Plan as required by Government Code Section 56831. The hearing will consider the adoption of the final budget and work plan by resolution.
