# San Luis Obispo Local Agency Formation Commission

TO: MEMBERS OF THE COMMISSION

FROM: ROB FITZROY, EXECUTIVE OFFICER

DATE: APRIL 20, 2023

SUBJECT: THIRD QUARTER FISCAL YEAR 2022-2023 BUDGET STATUS AND

**WORK PLAN REPORT** 

## **RECOMMENDATION**

**Action 1:** Review the third quarter budget status and work plan report for Fiscal Year (FY) 22-23 and approve, by motion, to direct the Executive Officer to file it with the County Auditor.

#### **BUDGET OVERVIEW**

This report is the third Fiscal Year (FY) 22-23 quarterly report for the San Luis Obispo Local Agency Formation Commission (LAFCO). The LAFCO operating budget is comprised of four components: 1) salaries, payroll taxes, and benefits, 2) services and supplies, 3) revenues, and 4) fund balance and reserves. Day-to-day management of the budget is based on "bottom-line" principles that allow for variation within individual line-item accounts as long as the overall expenditures remain within the approved budget.

LAFCO's budget is funded by the County, Cities and Independent Special Districts. City and District shares are pro-rated based on general revenues reported to the State Controller's Office on an annual basis. LAFCO also receives revenue from application fees and interest earnings.

The County Auditor Controller provides LAFCO with various financial services. Every financial transaction of LAFCO is processed through the County Auditor's financial system. This approach ensures accuracy, transparency and accountability. The County Auditor's Office also provides LAFCO with claims processing, invoicing and financial review services. The Auditor's financial tracking system assists LAFCO in monitoring the budget and compiling budget report data, as well as provides independent review of the budget.

### **QUARTERLY BUDGET SUMMARY**

**Executive Officer Comments.** The third quarter budget actuals indicate LAFCO continues to be in a strong budgetary position. Expenditures are as expected within the third quarter. Application activity and associated revenue continues to be strong; with 75% of the fiscal year complete we have reached 125% of our revenue projections for proposal applications.

**Expenditures.** Overall, third quarter expenditures are at 73% with 75% of the fiscal year complete. A detailed budget report is provided in Attachment A. Below is a brief summary of lineitem expenditures:

- Salaries and benefits are 75% expended.
- Services and Supplies are 67% expended.

LAFCO uses a credit card from a program implemented by the Special District Risk Management Association (SDRMA) for public agencies. LAFCO's policy is to pay each bill in full each month. The statements for January, February, and March are included as Attachment B. Additionally, with any "significant value" purchases over \$400, a receipt is provided for that item for further transparency.

- January: Zoom Subscription \$98.50, Microsoft Office Subscription \$37.50
- **February:** Zoom Subscription \$98.50, Microsoft Office Subscription \$37.50, Staples Supplies \$34.79, Trophy Hunters Name Plate \$12.51
- March: Zoom Subscription \$99.50, Microsoft Office Subscription \$37.50, Trophy Hunters Name Plates \$25.01, Norton Antivirus Software \$109.99.

**Revenues.** Overall, revenues are 100% realized through the third quarter. Contributing agencies (Cities, Special Districts and County) have paid 100% of the LAFCO charges billed by the County Auditor. Application fees have been submitted in the amount of \$29,972 or 125% of projected application revenue.

**Fund Balance (Reserves).** Fund Balance is the LAFCO reserve of funds for various expenditures. Fund Balance expenditure requires Commission approval. The current fund balance remains unchanged and \$301,201 is available.

## **WORK PLAN QUARTERLY UPDATE**

**Executive Officer Comments.** Workload for the third quarter of the FY has been substantial, as expected. While workload will be high, we expect the number of hearings items to remain on the lighter side as we focus on application processing as well as the MSR program which requires

substantial internal staff work and reduced need for hearings until such a time when they are ready for Commission consideration. In addition to our typical workload of proposal application processing, we have been onboarding and training the new Clerk Analyst, executing our MSR program, and focusing on internal items such as our new application package and an updated Policies and Procedures manual, as directed by the Commission.

**Work Plan Update**. In conjunction with the FY 22-23 budget process, the Commission adopted an accompanying Work Plan for FY 22-23 (see May 19, 2022, staff report for additional details). Our work prioritization is as follows:

- 1. Process proposal applications as mandated by statute and conduct critical operations necessary for the organization to function.
- 2. Prepare Municipal Service Reviews (MSRs) as mandated by statute, based on the date an MSR was last updated.
- 3. Execute special work efforts as directed by the Commission.

Consistent with the priorities established by the Commission for the FY 22-23 Work Plan, during the third quarter staff have been diligently working on the following items, as well as training the new Clerk Analyst:

- Completed the Special District Election process for Regular and Alternate LAFCO seats
- Onboarding new Commissioner
- Responding to extensive number of public inquiries
- Responding and researching a number of various inquiries regarding potential future proposed changes of organization or reorganizations
- Continued processing of proposal applications including the recently received Oceano Community Services District Fire Authority Divestiture, Dana Reserve Specific Plan annexation, multiple County Service Area annexation applications, and annexations into special independent districts
- Continued work on the MSR for City of Paso Robles, Templeton Community Services
  District, Heritage Ranch Community Services District, and San Miguel Community Services
  District, and continued to execute our new MSR process intended to streamline work
  efforts, improve coordination, and increase usability of the document
- Continued work on new application forms, and an updated Policies and Procedure manual
- Conducted ongoing critical operations, invoicing, payroll, records management, and office administration
- Coordination with districts regarding activation / divestiture of powers, responses to Public Record Act requests, and reorganizing our record management systems

**Work Plan Projections**. Looking ahead, we expect the workload to remain high and staff to be operating at full capacity, particularly with large annexation applications such as Dana Reserve and other annexations and reorganizations we anticipate soon. We received an application from Oceano Community Services District to divest fire authority on February 6, 2023. We commenced

work on this application and continue to coordinate with affected agencies. We also received a new annexation application into CSA 12.

#### IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below.

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

We do not add in any new purchases or cash advances. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase "MAKE CHECK PAYABLE TO" will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill. Submit your request to the Account Inquiries address on the front of this statement. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

Negative Credit Reports: You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

#### **BILLING RIGHTS SUMMARY**

#### IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below.

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase "MAKE CHECK PAYABLE TO" will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill. Submit your request to the Account Inquiries address on the front of this statement. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

Negative Credit Reports: You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

#### **BILLING RIGHTS SUMMARY**

In Case of Errors or Inquiries About Your Bill: If you suspect there is an error on your account or you need information about a transaction on your bill, send your written inquiry to the Account Inquiries address on the front of this statement within 60 days of the date of the statement containing the transaction in question. You may telephone us, however a written request is required to preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

#### IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below.

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

We do not add in any new purchases or cash advances. This gives us the daily balance. Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase "MAKE CHECK PAYABLE TO" will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.
